

## New Sculptures on show at Inter-Action mk

Sculptor Pam Foley has installed six of her superb pieces in the grounds and building here at Inter-Action.

Said Director Adrian Pinckard: *"Pam is a sculptor of incredible skill and sensitivity. We are so delighted and very fortunate to have her work here. The works fit very well within the atmosphere of our grounds and gardens and bring a contemplative feel to any visit and walk around the site. There are also two smaller pieces inside the Old Rectory building ... Even more reason to come along and pay us a visit!"*

Pam's work on show coincides with her teaching some new sculpture workshops at Inter-Action in April; the first one over two days, 13<sup>th</sup> & 14<sup>th</sup> in 'Modelling the Human figure in Plaster' and then two days in June of 'Clay head modelling' on 22<sup>nd</sup> & 23<sup>rd</sup>.
